# #Restoring Kindness<sup>SM</sup>

Do something kind for a stranger and expect nothing in return.

In an effort to help inspire other businesses to make our world a better place, A&J invites you to **Join the Restoring Kindness Movement this July**. It's an important movement reaching much further than Wisconsin. It's something the entire country needs. A little more kindness goes a long way.

Everyone at A&J Specialty Services, Inc. DKI, a restoration company serving businesses and homes in south-central Wisconsin, has the daily mission of restoring lives, not just buildings and homes.

Will you join the movement?

**Will you go out of your way to do something kind for a stranger?**

We want to hear your stories. Show us what acts of kindness you're a recipient of and share your ideas for how to bless others! Post your pictures and videos and include the hash-tag #RestoringKindness so we can encourage each other in this endeavor.

**Kindness doesn't have an address, it lives wherever we choose to show it.**  
**Join the movement at [www.restoringkindness.com](http://www.restoringkindness.com)**
